

IX CONFERENCE

RIAO/OPTILAS 2016

Pucón, Región de la Araucanía, Chile

Monday 21 to Friday 25, November 2016

Extension of deadline for abstract submissions

This Thursday, the 28th, the call for papers deadline was completed for presentations at Riao/Optilas 2016.

As of this date we now have 276 participants registered and have received 246 abstracts, including oral presentations and posters. In addition, we received 60 requests for student scholarships.

Therefore, as a result of the good response, we have decided to extend the abstract submission deadline until 20 August.

In addition, we wish to remind you that on 10 September, registration rates will increase by 15%, so we invite you to realize payment for registration as soon as possible.

Cordial greetings,

Dr. Carlos Saavedra Rubilar

Chairman

Organizing Committee

RIAO/Optilas 2016 Conference
